

## Want a career in power and energy? Visit [ieeet-d.org](http://ieeet-d.org) today!

If you are an undergraduate student, graduate student or Graduate Of the Last Decade (GOLD), then the 2008 IEEE T and D Collegiate/GOLD Program is for you!

Highlights include a collegiate job fair, exclusive reception, industry-led tour of the floor, student poster contest, industry luncheon, meals, student hotel accommodations (Inn of Chicago) and networking opportunities with thousands of attendees and nearly 500 exhibitors.

The IEEE Transmission and Distribution Conference and Exposition will be held April 21-24, 2008 at McCormick Place in Chicago. The Collegiate/GOLD Program events are packed into Tuesday 22<sup>nd</sup> – Wednesday 23<sup>rd</sup>. Just 48 hours in Chicago could launch your career!

The electricity industry offers a great opportunity to create solutions to society's biggest challenges, such as critical infrastructure protection, energy efficiency, environmental impacts of electricity generation and delivery, electric power reliability and sustainability. We need your help!

Did you know that the electricity industry develops new innovations every day? Here are a few areas that engineers are working on right now:

- Communication and control hardware and software
- Distributed generation
- Power markets
- Renewable energy sources
- Smart grids

If you want to learn more about the electricity industry, then the Collegiate/GOLD Program at the 2008 IEEE T and D is the place to be! Registration is \$30 for IEEE Student members. IEEE student membership fees are \$25-\$35, depending on your IEEE region. For details, please visit us on-line: <http://ieeet-d.org/collegiate.html>. Also, please note that the student poster contest and student hotel support program have an **application deadline of January 29, 2008**. However, you may register for the T and D Conference and Exposition beyond January 29 on-line ([ieeet-d.org](http://ieeet-d.org)) or on-site.

We hope to see you in April at McCormick Place!
