Total of sponsorships requested \$ _____

Payment is due in full upon receipt of your confirmation and the payment form.

ALL sponsors will be also be recognized on the Conference Schedule “super board” at the shuttle bus drop-off at the Morial Convention Center.

Student Job Fair and Lunch Invitation

This is an opportunity you should not miss if you are looking toward the future of your company. Again, the IEEE PES will host a job fair at the T and D Conference, opening doors to the many students that attend this event.

The job fair will take place on Wednesday, April 21st, 9am-11:00am preceding the Collegiate/GOLD/Industry Luncheon which will be held adjacent to the Job Fair in Hall F.

Attending utilities and contracted exhibitors will have the opportunity to purchase a table for \$500.00 to interview the students. Each interview area will be 10x10 with 8' backwall and 3' siderail drape. We will provide the standard 7x44 inch company ID sign, one 6-foot skirted table and 4 chairs. Drayage (bringing any material from receiving dock or return shipping) will NOT be included. You will be billed directly by Freeman Decorating for this service.

With the purchase of each space we will offer one complimentary Collegiate/GOLD/Industry lunch ticket.

Further, you could sponsor a table for 8 at the Awards lunch for \$300.00 and invite prospective candidates to talk over lunch in a more relaxed atmosphere.

The students interested in attending the job fair will post their resumes online prior to the deadline for purchasing a table. Then, if you wish, you could contact them prior to the event to make an appointment or perhaps, invite them to visit your booth to acquaint them with your product or service.

Your reservation for either a job fair table or lunch table must be received by March 17, 2010 with your payment. The monies generated from the sales are used to help pay for the transportation and housing of the students attending the Conference.

At the last conference in Chicago there were 217 students registered. Due to the time of the year (finals) most of the students will only be in New Orleans for two days, Tuesday for their poster presentations and Wednesday for the job fair and the awards lunch. But they will be the cream of the crop and you owe it to your company to meet with them.

Please complete the form and return to the address on the form or call 614-855-7744 if you have further questions.
